About Us

INSPACKT is a leading packaging solution company based in Greater Noida. We are providing packaging solutions with latest technologies to meet customer expectations and requirements in a cost effective manner.

After becoming pioneers in packaging, INSPACKT is introducing a new vertical dedicated entirely to premium fancy stationary, paper toy furniture, corrugated furniture, gift packaging, labels, tags and other such paper products.

Our team of dedicated professionals focuses on value engineering and value addition of packaging, thereby increasing the perceived value of the product it holds. However these are just the secondary perks to the primary objective we wish to fulfill which is ensuring the best safety of the product through its packaging along with providing various innovative products, such as stationary to our customers. Whether you are looking for customized solution or Innovation in packaging or new products based out of paper, we have it all that to at quantities which could be as less as 100 pieces to as large as they could be.

Our extensive knowledge & experience in material science and production, teams up with skilled hands on a technically advanced assembly line to bring out the best possible solution to your packaging and product requirements.
